YOURS

Yours to keep
site and files in your Wix
account

01 WHERE WE STARTED

What we built it around.

01 Four generations.

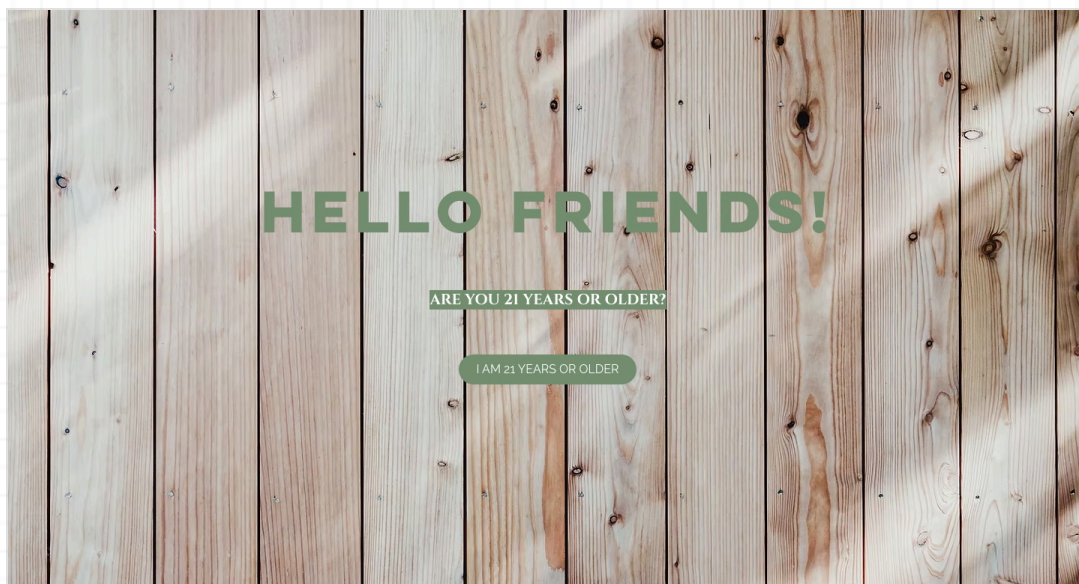

Your words. Option 1 paints the oak from your labels, with your family album.

02 Quality over quantity.

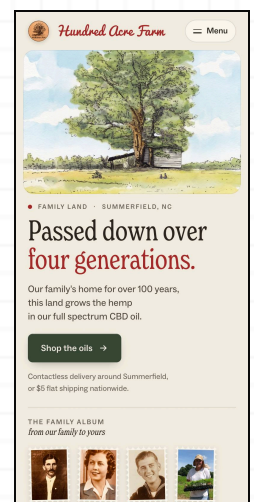

Option 2 is your own brand: the red script, the medallions, all four flavours.

03 The front porch.

Option 3 looks out from the porch at your barn at sundown.

06 QUESTIONS

The usual questions.

01 Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02 Is it secure?

Yes. It's built lean, with no page builder or extra plugins, and tested on a copy first. Your checkout and payments don't change.

03 Who owns it?

You do. Every file sits in your store, in your name, and nothing of ours renews unless you ask.

04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from \$250 a month, cancel anytime.

05 When do I pay?

Half (\$1,250) when you say go, the rest (\$1,250) when the site is live. You've seen the homepage before paying anything.

06 What if my lineup changes with the new hemp rules?

Then the site changes with it. Products and pages are easy to swap, and I'll redo the shop pages for a new lineup as part of the build.
